

## Daily Bulletin

Prairie Grove Junior High Bulletin for Friday, December 4, 2009

### Today's Absences

Student Name	Grade Level
--------------	-------------

**Annual Food Drive** The Student Council is partnering again this year with the Nunda Rural Fire Department for their annual food drive. Please help families in your community by bringing non-perishable food items to your homeroom class. Remember to check expiration dates! The class with the highest number of items per student will win a pizza party. With your help, we can make the holiday season a little happier and healthier for many families in our area.

**Winter Dance** All 7th and 8th graders are invited to attend this year's winter dance on Friday, December 11, from 3:00 to 5:00. Our theme is "Candyland," the cost is \$6.00, and the dress code is formal. Please check with one of your Student Council representatives for more information. We hope to see you there!

**Candy Canes for a Cause** Remember to buy candy canes at lunch and support Toys for Tots!!! We will also be collecting new, unwrapped toys until next Friday December 11th!

**Spring Play** Spring Play auditions for Ain't She Sweet? will be held on Tuesday, December 8th and Wednesday December 9th, right after school until 4:00 in the junior high library. Please get permission slips from either Mrs. Rosner or Mrs. O'Leary.

**Panther Pride on the Court** The 7th grade basketball team traveled to Elgin yesterday where they took on the Westminster Warriors. The Panthers got off to a slow start and were losing at the end of the 1st quarter. The boys had a strong 2nd and 4th quarter to win easily 36-19. The 7th grade team ended their regular season with an 11-3 record. On to the conference tournament next week, which will be played here at Prairie Grove.

**Pennies for Peace** By donating your spare change you are letting others know that you care about ALL of the children of the world. Remember that donating to Pennies for Peace you are participating in an act of kindness that has worldwide repercussions. Jessica S, an 8th grade student at Prairie Grove School, is a perfect example of someone whose act of kindness turned into an act of true generosity when she donated thousands of pennies, 2 full buckets over a 2 day period, by carrying them to school while riding on the school bus. You can be a part of this project through your own act of kindness by donating today.
